

Anne Frank in the World, 1929-1945 / De Wereld van Anne Frank, 1929-1945 (English and Dutch Edition)

In the spring of 1945 15-year-old Anne Frank died in Bergen-Belsen concentration camp. This book provides a portrait of her life and gives an account of historical developments between 1929 and 1945. The changes in Germany after Hitler took power in 1933 and daily life in occupied Holland after 1940 forced people to make a choice: collaborate, resist or remain passive. Many photographs in this book appear for the first time, making this a unique publication.
