

Japanese Culture

Japanese Culture has been called a masterpiece of much in little space (Booklist). For more than two decades it has garnered high praise as an accurate and well-written introduction to Japanese history and culture. This widely used undergraduate text is now available in a new edition. Thoroughly updated, the fourth edition includes expanded sections on numerous topics, among which are samurai values, Zen Buddhism, the tea ceremony, Confucianism in the Tokugawa period, the story of the forty-seven ronin, Mito scholarship in the early nineteenth century, and mass culture and comics in contemporary times.
