

A History of the Martin Marprelate Controversy: In the Reign of Queen Elizabeth (Classic Reprint)

Excerpt from A History of the Martin Marprelate Controversy: In the Reign of Queen Elizabeth Those who may be lookers on in the beginning of any popular movement, those who may be actors in it, and those who are the leaders, are all equally ignorant of the end to which it will reach, and the excesses into which it may run. Many will at first be interested in, and well-wishers to the cause, until gradually they will lose their interest from their own objects being already gained, or some mismanagement disgusts them: and those who set on foot great changes in important matters, whether of belief or practice, whether temporal or spiritual, are quickly passed by their eager followers, and these again in their turn by others, until liberty becomes tyranny, and reformation the most abominable of all abuses. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
