

Stone Canyon

Rancher Micah Stone shows up at Private Detective Able Kentons office with a letter from his late mother. Micah wants answers. Able has his own letter to show Micah. Together they set out to find who killed Micahs mother and why. Their first clue leads them to an attorney and the police. Micah and Able fall in love while going back and forth from the ranch to the city, from one crisis to another. The characters at the ranch keep things hopping with their own lives filled with comedy, tragedy, and love. They get their answer, but it comes hard.
