

The Footsteps of Messiah: A Review of Passages in the History of Jesus Christ (Classic Reprint)

Excerpt from The Footsteps of Messiah: A Review of Passages in the History of Jesus Christ It is necessary to state the nature and design of this work. It is not a Life of Christ, nor is it the substance of sermons or lectures; although, probably, those who are in the habit of listening to the authors discourses may find in it passages which they have heard from his lips. I have been of opinion, for a considerable period, that the facts of the Saviours history involve important principles, connected both with the Christian dispensation, and the intellectual condition of men; that that history is more than the record of a wonderful life, more than biography; that it is, in short, inspired didactic narrative. The present volume is the result of this idea. It is a review of certain passages in the Redeemers history, as given by the Evangelists; and an effort to indicate those principles which the respective passages appeared to me to contain. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
