

My State History Funbook with South Carolina Activity Pages (State History from a Christian Perspective, Funbook, South Carolina)

My State History Funbook for South Carolina is a color-cut-and-paste project that provides fun activities for students between age 4 and 2nd grade as they learn about South Carolina. Your student will construct a colorful project notebook about South Carolina using My State History Funbook (a spiral-bound, pre-formatted scrapbook), color state symbol pictures and informational cutouts provided in the South Carolina Activity Pages, and pictures from free tourist literature. Instructions for obtaining the free tourist literature along with a simple Thirty-Lesson Guide for the teacher are included in the South Carolina Activity Pages. My State History Funbook is available for all 50 states and is correlated to our upper-level course, State History from a Christian Perspective (also available for all 50 states), so that students of all ages can be taught simultaneously if desired. My State History Funbook for South Carolina consists of two parts: My State History Funbook and the South Carolina Activity Pages. This course gives young students an introduction to South Carolina state symbols, history, important people, geography, weather, citizenship, state government, industry, agriculture, plants and animals, scenery, and recreational spots. Information presented in this course is in keeping with Christian values and Biblical morals and will promote patriotism and Christian character.
