

## Guide to Asian Studies in Europe

This Guide is produced on behalf of the European Science Foundation Asia Committee. The Guide provides a comprehensive survey of researchers, institutes, university departments, museums, organisations, and newsletters in the field of Asian Studies in Europe. The 352 page Guide is published by the International Institute for Asian Studies in co-operation with Curzon. This is the first such guide ever published, and contains highly detailed current information including specialisation by subject and region for each entry. The Guide contains an alphabetical list of 5,000 European Asianists; 1,200 institutes and university departments; 300 museums, organisations, and newsletters.
