

Studies in Religion: With an Appendix on Uniformity (Classic Reprint)

Excerpt from Studies in Religion: With an Appendix on Uniformity The only advantage, perhaps, which results from a multiplicity of religious opinions in the world, is the opportunity which is thereby offered for the exercise of Christian charity and candour. But while a feeling of common infirmity, should incline us to be tender of the consciences of others; we ought never to be led into indifference, whether the fundamental doctrines of the Bible be received or rejected. If, among the various conflicting sentiments of professed Christians, there be old wives fables, which are to be refused; there is also a form of sound words, which is to be held fast: and if there be foolish questions, which are to be avoided; there are also damnable heresies which will bring on their promoters swift destruction. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
